(February 7, 2022, Tucson, AZ); Invisible Theatre is proud to announce a special community talk back with Adiba Nelson following the Wednesday, February 16, 2022, 7:30 PM performance of **EMERGENCY** by Daniel Beaty and produced and directed by Susan Claassen, assisted by Emily Gates. A Slave Ship emerges out of the Hudson River in front of the Statue of Liberty sending NYC into a frenzy. **EMERGENCY** stars To-Ree-Nee Wolf, Richard Thompson and Myani Watson, and is an intricately woven, urgent, witty and moving exploration of our shared humanity and what it means to be free.

Adiba Nelson, author, screenwriter, public speaker, disability rights advocate, and subject of the Emmy winning documentary, *The Full Nelson*, began working as a regular contributor to the local NPR affiliate, Arizona Public Media radio show, *Arizona Spotlight*. She presented her first TEDx talk (*Skating Downhill: The Art of Claiming Your Life*) to a sold-out audience. Adiba has bylines with HuffPo, The Washington Post, The Lily, Everyday Feminism, and Parents magazine conglomerate. Focusing on issues around race, parenting, disability and womanhood, Adiba recently completed her memoir "Ain't That A Mother" (Blackstone Publishing, May 2022), and is currently working on several projects related to her debut title.
