ABOUT THE TBA AWARDS

The **TBA Awards** are designed to honor excellence in professionally-oriented theatre produced throughout the San Francisco Bay Area. Award finalists and recipients are determined through a peer-based, Bay Area-wide adjudication process. During each production season (September 1 to August 31), TBA Awards adjudicators attend eligible productions and submit recommended productions every week. Theatre Bay Area publishes these weekly recommendations for its members and to the general public. At the end of each season, all of the votes are tallied to determine each year's award finalists and recipients.

Highlights and the complete list of the 2019 TBA Awards Finalists follow the calendar listing.
